

Balancing Adventure and Relaxation

Nature, Adrenaline, and Relaxation All in One Place

3-day trip

Get ready for an unforgettable experience in the Vysočina region where you will experience three days full of adventure, stunning landscapes and extraordinary moments. Explore the hills, conquer challenges and immerse yourself in the enchanting atmosphere of this region.

Program

1st day - Žďárské vrchy (Žďár Peaks)

Protected Landscape Area of Žďárské Vrchy
Covering over 700 square kilometers in the northeastern part of the Vysočina region, you'll find the protected landscape area of Žďárské vrchy (Žďár Peaks). You can explore Žďárské vrchy through four educational trails: Babín, Dářko, Žákova hora – Tisůvka and Krajem Chrudimky. There are three educational cycling routes with total of 22 stops for cycling enthusiasts.

ADREX Base Camp - Vír
ADREX Base Camp is a unique testing center and equipment rental all in one. You can try multiple activities and sport such as bikig, climbing, freefall and rappelling, ice climbing, boating channel and much more. You will always have fun here, whether you come in the middle of hot summer or cold winter.

2nd day - Telč, Resort Svatá Kateřina

Historic Centre of the City and Telč Castle (UNESCO)
The Renaissance castle attracts tourists from around the world and has become a favorite backdrop for filmmakers and romantic weddings. The beautiful historic square of Zachariáš of Hradec, lined with Gothic and Renaissance townhouses, captivates its visitors with a fairytale atmosphere.

Resort Svatá Kateřina
Wellness at the Resort will enchant you. It offers a wide range of options for both active and passive relaxation. Try Ayurvedic treatments, massages or baths. Engage in outdoor pilates or yoga, play golf or go cycling. Horse lovers can enjoy rides through the surrounding forests and meadows.

3rd day - Vysočina Geopark, Roštejn

Vysočina Geopark
One of the eight Czech national geopark sis also located in Vysočina region. It stretches from Telč to the highest peak of Vysočina – Javořice. The whole area is symbolized by the stonemasonry tradition because granite was mined here in the past. You can visit the Sonemasonry Museum and underground chambers in Mrákotín. Between Lhotka and Řásná you will come across the Štamberk ruins and a stone sea.

Roštejn castle
The Late-Gothic castle rises above a rocky hill in the romantic forests near the village of Doupě. The original heptagonal Gothic tower is a dominant feature of the castle. It is 48 metres high, accessible to visitors, and it offers far-reaching views of the countryside. One of the tours is dedicated to the forest and game keeping.
